COSPAK

Cospak Ltd

Cospak provides total packaging solutions throughout New Zealand and Australia, offering a comprehensive range of quality products in glass, plastics, metal, paper, and flexibles. Our local and international plants and facilities coupled with extensive manufacturing capabilities from our parent company San Miguel Yamamura Packaging Corporation, and a strategic supply base from Europe, UK, Middle East, and Asia; provide Cospak the capacity to supply market leaders in the wine, beverage, food, chemical, personal care, and pharmaceutical industries.
