## Hawkins Watts

Hawkins Watts is one of New Zealand's leading ingredient suppliers partnering with the world's best specialty ingredient manufacturers. A proud family business of over 30 years, our team has helped to create some of Australasia's most successful food, beverage and nutrition products. We're innovation partners and problem solvers supported by knowledge and creativity, collaborating with our clients to help make products that consumers come back for time and time again.

We specialise in Texture, Health & Nutrition, Colour, Flavour & More.
