**Skyherb<sup>®</sup>**

Zhejiang Skyherb Biotechnology Inc

Skyherb is a leading botanical extract manufacturer based in China. Seventeen years of experience and non-stop R&D made us a reliable supplier in health industry.

Skyherb manufactures a wide range of natural extracts with recognized health claims. Our extracts can be applied in various applications, such as food, beverage, and supplements. Under high-quality standards, Skyherb develops a proprietary process to provide natural extracts in its SQF-certified facilities.

At Skyherb, we are working closely with our customers to develop innovative products that meet their needs and ambitions, bringing health and well-being to more places on the planet.
