

INNOVATION EXPO 2025 CREATING SPACE FOR INNOVATION

Booth #36
Category: Services

Bioeconomy Science Institute

At Botanic Healthcare, we distinguish ourselves through our relentless devotion to excellence in the research and manufacture of high-quality, bio-available ingredients, for use across health, functional food and cosmetic industries worldwide.

Our expertise lies in the identification, development and manufacture of therapeutic natural ingredients through extraction science. Challenging conventional wisdom through pioneering R&D and a customer-centric approach, our passionate team of inventors and scientists are transforming how wholesome health is achieved – one molecule at a time.
