

INNOVATION EXPO 2025 CREATING SPACE FOR INNOVATION

Booth #35
Category: Services

Callaghan Innovation

The Biotechnology Group accelerates scientific ideas into high-value, market-ready products. Bringing together forty scientists, we support the food, health and agriculture sectors through end-to-end research and development. Our expertise helps businesses develop and innovate bio-based products with process development, assay development, upstream and downstream processing, and analytical services, so businesses can innovate and scale with confidence.
