Booth #15

Category: Ingredients

Capsugel New Zealand Ltd | Lonza CHI

Capsugel New Zealand supports the natural products industry with a broad range of hard empty capsules, including clean label and plant-based alternatives, as well as innovative delivery technologies. In addition, we offer a range of science-backed specialty health ingredients. Fuelled by consumer-centric data, our ingredients enable brands to disrupt the nutraceutical market with purposeful products for human and animal nutrition.
