Aroma (NZ) Ltd

Aroma NZ Ltd is a 100% NZ and family-owned business. For over 60 years we've been specializing in innovative functional ingredients backed by scientific research offering our clients branded ingredients that benefit both human and animal health. Marine extracts have been at the forefront of our success including green-lipped mussel powder & oil, abalone, marine collagen and other active ingredients. Most recently we've diversified into botanicals and other exciting new product developments. Exporting to over 40 countries we're excited to improve people's lives through native NZ ingredients.
